FORD GALAXIE 500—4-DOOR HARDTOP

Review our portfolio of competition successes in blue chip events like the Daytona and Riverside 500's—you'll see where Ford's total performance comes from. Now try the '64 version: beautifully wrapped in a Super Torque **FORD**. Hundreds of pounds more car than anything else at its price, this '64 Ford is solid, silent, and swift as a rumor in Wall Street.
