

Mustang... a look that becomes you in cars and sunglasses

A PRODUCT OF
Ford
MOTOR COMPANY

Renault's wild new sunglasses, the Mustang, come in six lens colors. Choose from Green, Gray, Bronze, Blue, Pastel Gray and Champagne. And the frames give you a choice, too—shades that mix or match the colors of Ford's great new road car!

*Mustang
is designed
to be designed
by you!*

Mustang invites creativity in its owner—it's the car designed to be designed by you. By dipping into a surprisingly wide array of options, you can make your Mustang as personal as your signature.

Make your trips to school or the supermarket a lot more fun by choosing such convenience options as: power steering and brakes, Cruise-O-Matic transmission, push-button radio, backup lights, whitewall tires, deluxe seat belts for those in the back as well as the front, and an outside rearview mirror for a better look at the road behind.

Or make your Mustang an all-out luxury car to suit your special taste for elegance: choose a vinyl-covered roof, an accent paint stripe, an air conditioner, padded sun visors, tinted glass, and a full-length console to hold your scarf and sunglasses.

And if you're looking for the ultimate in action—or if the man in your life is—tailor your Mustang into a true sports car. Just equip it with a 289-cu. in. V-8 engine, a 4-speed transmission, Rally Pac (tachometer and clock), and wire-style wheel covers.

For a scale model of the Mustang, send \$1.00 to Mustang Offer, Dept. 1, P.O. Box 35, Troy, Mich. (Offer ends July 31, 1964)
