

FLIGHT PLAN CLEARED—PROCEED TO THUNDERBIRD.

Move the Swing-Away steering wheel over, slide into the cockpit—and you're ready to soar. New "shell-design" contoured front seats cradle you in luxurious comfort—and give rear seat passengers more foot room. On the flight deck a warning light reminds you to fasten the retractable seat belt. Optional lights tell you when fuel is low, when a door is ajar. A unique new Silent-Flo ventilation system controls cabin atmosphere. Try the irresistible surge of a 300-h.p. Thunderbird V-8, the incomparable smoothness of an in-flight ride and you'll know why . . . other cars you drive . . . this one you Thunderbird!
