

## NOW WE'VE GOT AN AUTOMATIC TIGER...

Sunbeam built a tiger with an American automatic shift...a roaring twin to the cup-collecting "4-on-the-floor" Sunbeam Alpine. Now there are two that dig their paws into the tar and jump! Take your pick. Automatic (\$2794\*) or stick (\$2595\*), this exclusive choice of shifts now makes Sunbeam everybody's sports car. NOTE: It's also the *most comfortable*

sports car ever! Rated No. 1 among 16 top sports cars tested by Road & Track Magazine: "...the Sunbeam Alpine... offered better accommodation for both the average and the big driver than any other..." (January 1964 issue). Write or phone us for information, including our money-saving overseas delivery plan. Do it soon. Tigers get restless.
