This month's cover: There you are, rushing down this rainswept stretch of road in your new 4.2 liter Jaguar XK-E roadster. A vicarious thrill? Yes, but we'll try to put you in the driver's seat for our road test on page 25. Cover photo by Al Francekevich.

Next month's cover: Remember the Pontiac-Ferrari controversy? Son of a gun, here we go again; this time with a Ferrari 2+2 and a Pontiac 2+2. We had Walt Hansgen do the driving in a perfectly-even track test. Just wait'll you read the results!
