**This month's cover:** *A wild photo impression of New York City's bright lights sets the stage for our annual Auto Show issue. The photograph and the imaginative use of type is of course the creation of our very own art department (who else?)*

**Next month's cover:** *Ford's fabulous GT is shown on its way to its first, and long overdue, win in the Daytona Continental. A complete story of the car, with Richie Ginther's and Ken Miles' driving impressions, is on the inside.*
