

CHECK THE BIG CHEVY CHOICE IN CAMPERS!

For variety in ways to travel, Chevrolet offers a real supermarket of truck values. There's one that's right for your vacation fun. So, look 'em over. Then see your Chevrolet dealer soon!

PICKUPS—Fleetside and Stepside pickups come with 6½- or 8-ft. bodies. Custom Camper package, specially engineered for camper bodies, available for ¾-ton pickups. Your Chevy dealer has all the details.

CARRYALL—Seats six with lots of luggage space in rear. Also available with seating for eight. Excellent unit for trailer hauling. Coil-spring suspensions smooth the miles away to let you arrive fresh and ready to go!

CHEVY-VAN—Roomy Chevy-Van is readily converted to provide handy cooking and sleeping facilities in a variety of arrangements. Your Chevrolet dealer can give you full information about having such conversions done for you.

STEP-VAN—This one's all new from Chevrolet. It gives mobile living at its luxurious best. Full stand-up head room, sleeping for four, cooking and sanitary facilities. And you'll be pleasantly surprised at its low, low cost!

EL CAMINO—This handsome carrier is equally at home at a campsite or in a suburban driveway. Roomy pickup body carries over half a ton of camping gear, or can be fitted with special camper bodies such as the one illustrated above.

CHASSIS-CAB—Rugged Chevrolet chassis-cabs are offered in a range of wheelbases to fit many different sizes and styles of camper bodies. Big 3-man cab gives plenty of stretch-out room for comfortable traveling.
