## workpower

***makes multi-stop delivering easier*** Efficient Step-Vans come in 21 body sizes with capacities from 211 to nearly 500 cubic feet. It's easy to pick one with the size and proportions that are just right for your job. Working's easier, too, because of walk-in design and big wide doors. No-shift Powerglide transmission is available on most models. And you can keep costs low with a famous Chevy truck Six. Check out a hustling Step-Van for your kind of stop-and-go delivery work. See your Chevrolet dealer about any type of truck.

NO. 1 WAY TO WORK
