

RIDE WALT DISNEY'S MAGIC SKYWAY AT THE FORD MOTOR COMPANY PAVILION, NEW YORK WORLD'S FAIR

A PRODUCT OF

THE TOTAL PERFORMANCE MUSTANG HARDTOP

If they're still waiting for Agnes down at the Willow Lane Whist and Discussion Group, they'll wait a long time. Agnes hasn't been herself since she got her Mustang hardtop (with its racy lines, bucket seats, smooth, optional 3-speed automatic transmission and fire-eating 200 cu. in. Six). Mustang is more car than Willow Lane has seen since the last Stutz Bearcat bit the dust. (And Agnes has a whole new set of hobbies, none of which involves cards.) Why don't you find out if there's any truth in the rumor—Mustangers have more fun?
