

Mix a Mustang with a Cobra...

...for the performance rod of the year!

Take these Cobra Kits . . . slap them on your Mustang 260 or 289 block . . . and you'll leave the competition sitting in the pits. Whether you're gunning for the quarter or for long-distance runs . . . there's a Cobra Kit to make your Mustang the hottest performer in town!

PRODUCTS OF  MOTOR COMPANY

ENGINE PERFORMANCE KIT: Here's a three-way power package for 260 or 289 blocks. Has eight matched pistons with heads designed for valve clearance; high-lift design cam with solid lifters; cylinder head and valve assemblies with heavy-duty rocker arm studs, spring seat ridges, solid valve spring retainers and oil-controlling valve stem seals. Cobra Medallions included. Part #C40Z-6A044-B(260CID), #C40Z-6A044-C(289). Each \$345.25*

DISTRIBUTOR KIT: This high-performance kit consists of heavy-duty distributor and leads. Features dual points, centrifugal spark advance. Use the kit to give your engine the high-speed performance characteristics you want that are especially suited for drag strip operations and other high RPM requirements. Part #C4DZ-12050-A. \$49.80*

THREE 2-V INDUCTION KIT: Match this kit with the distributor and engine performance kits and watch the horses soar! Kit has three 2-V carburetors on cast-aluminum intake manifold, special air cleaner. Mechanical linkage lets you "go on one" for economy, cut in the other two for maximum go under high-performance conditions. Cobra medallions also included. Part #C40Z-6B068-A(260CID), #C40Z-6B0-68-B(289). Each \$212.55*

HEAVY-DUTY CLUTCH KIT: This kit consists of disc assembly and pressure plate. Construction of both the plate and disc assembly virtually eliminates slipping and provides maximum performance under demanding conditions. Part #C30Z-7A537-A. \$51.45*

*Manufacturer's suggested retail price. Installation and state or local taxes, if any, are extra.
