

GT. 350

Mustang, competition-modified by Carroll Shelby. The brilliant new fastback GT/350 is a top performer. Hand assembled in Southern California in limited quantities by the craftsmen who are responsible for the championship Ford-powered Cobra sports car, the GT/350 represents the finest combination of sports car performance with stock car practicality. Offering racing car suspension, disc brakes, 15" wheels, performance-tuned 289 Cobra engine, limited-slip rear end and race-bred interior, the GT/350 is designed for the individual who wants the finest in performance. Write direct to GT/350, c/o Shelby American, 6501 West Imperial Highway, Los Angeles, California 90009.
