Super, 1st, overall, Touring category... and incidentally, Alfa also placed 1st, 2nd and 3rd in class at Sebring, 1965.

at alfa it's simply a tradition

GIULIA TI
SEDAN
\$2,927. P.O.E.

Winning races has been a steady diet at Alfa since 1911. You can see it reflected in the new Giulia TI. A 4-door, 5-passenger sports car with five-forward-speeds (fully synchronized), all aluminum engine and double overhead cams. It's easily capable of over 105 m.p.h. and 31 miles to the gallon. At 80 m.p.h. you're using only half the engine's power.

Now look at the Giulia TI's standard equipment list: bucket seats, disc brakes, heater-defroster, windshield washers, tachometer, hand accelerator, Robert Bosch electrical system, back-up lights, undercoating and many more, others charge for as "extras."

There's also a variety of Spiders, Coupes, 2+2's.

Ask your dealer about Alfa's Owner-Driver Racing Program including availability of racing options.
