# Motorized MUSTANG GT

SPECIALY PRICED AT ONLY  
**\$4.95**

**Everyone with young ideas likes Mustang. That's why Mustang is the most successful new car ever introduced. Mustang is a car built for fun! And now there's Mustang fun for fans too young to drive...the exciting 1966 Motorized Mustang GT!**

This brilliant Poppy Red Motorized Mustang GT is the perfect holiday gift for youngsters! It captures all the flavor of its big brother; it's a perfectly-detailed operating model of a 1966 Mustang GT Hardtop.

The Motorized Mustang GT is a big 16 inches long! Manufactured exclusively for Ford Dealers, it's battery operated, with a motor that

propels it forwards and backwards, has working headlights and taillights—and even the batteries are included. The front wheels are fully adjustable for steering and there's a simulated Mustang V-8 engine under the hood!

Like the real Mustang, the Motorized Mustang GT is strong, sturdy, and built to last. For racing buffs a conversion kit (gasoline engine and slicks) and remote control throttle may also be ordered.

So stop in at your Ford Dealer's, pick up a Motorized Mustang GT for the children...and take a look at its big brother. Make this a real holiday with the Motorized Mustang GT for the young set and a full-size Mustang for yourself!

See your Ford Dealer...test drive a Mustang!
