

How many ways can you make your Ford more Go-Go?

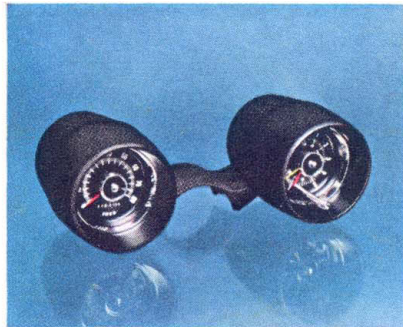

Check your Ford Dealer and see. The kits shown here are just a sample of what he has... from performance kits to dress-up items for everything from Falcons through T-Birds.

1 Engine Dress-Up Kit: Give 352, 390 or 427 blocks a classy show appearance with this stylish kit. Includes gleaming valve covers, air cleaner cover and oil breather cap, oil dip stick and radiator cap, fuel filter and fan guard... all finished in shining satin-chrome. Other Cobra kits available for 221, 260 and 289 blocks. #C4AZ-6980-A (illustrated)... \$48.70*

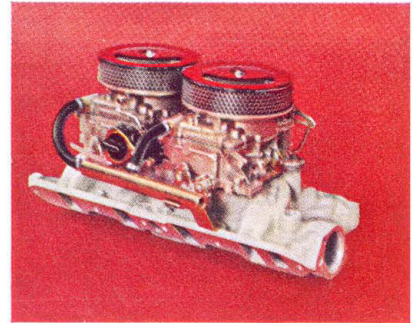

2 Cobra Heavy Duty Clutch: Consists of disc assembly and pressure plate. Construction features virtually eliminate slipping and provide maximum performance under demanding conditions. For 289 blocks. #C3OZ-7A537-A... \$50.45*

3 Mustang Rally-Pac: Here's a unique twin-pod cluster with a 6,000 RPM tach for 6-cyl., 8,000 for V-8's; and a precision clock. Has hooded cover with "camera case" finish. #C5ZZ-10B960-C... \$74.10*

See page 118 for a list of some of the Ford Dealer high-performance specialists...

4 Cobra Two 4-V Induction Kit: Use this baby on Ford 260 and 289 blocks and watch the power soar. Features two 4-barrel carbs on an aluminum intake manifold — plus two air cleaners. Primary sections of carburetors operate

progressively from throttle linkage for low and medium speeds. Both secondaries are velocity-flow operated to cut in for acceleration and high speed use. Other kits available for 390, 406 and 427 blocks. #C4OZ-6B068E (illustrated)... \$240.15*

*Manufacturer's suggested list price. Installation charges, state and local taxes are extra.

As many ways as you want.
