

The Thunderbird Touch:
 A Stereo-Tape System...Highway Pilot Control...
 Overhead Safety Control Panel

Thunderbird Town Hardtop

We submit that no car in all the world even comes close to offering its owners the unique touches of personal luxury that you will find in our 1966 Thunderbird.

Thunderbird's new Stereo-Tape System is but one of many exclusive options. It surrounds you with music from four high-fidelity stereo speakers. Easy-loading tape cartridges give you more than 70 min-

utes of uninterrupted music.

Highway Pilot Control is another. Mounted at your fingertips, within the spokes of the steering wheel, Highway Pilot lets you set, retard, and resume your cruising speed at the touch of a button.

And the Overhead Safety Control Panel, standard on Town Landau and Town Hardtop models, has lights to remind you if fuel

is low, a door ajar or to fasten seat belts.

Thunderbird 1966 will touch all your driving with total luxury. Drive one today.
