

*The Thunderbird Touch:
An overhead Safety Convenience Panel*

1966 Thunderbird Town Landau with new formal roofline

Look! Thunderbird for 1966 has a unique Safety-Convenience Panel, mounted overhead on Town Hardtop and Landau models. Tap a switch and the Emergency Flasher System sets four exterior lights blinking. Other lights remind you to fasten seat belts, tell you when fuel is low,

or doors ajar. Other personal Thunderbird touches for 1966 include the optional AM Radio/Stereo-sonic Tape system to give you over 70 minutes of music on an easy-to-load tape cartridge. Completely automatic! Four speakers! New, too, are: an automatic Highway Pilot speed con-

trol option; more powerful standard V-8—plus a 428 cubic inch optional V-8. And all the craftsmanship that has made this car a classic in its own time.
