

SHOW YOUR STRIPES!

**Ride Fairlane and
tell the world
you've got that GT feeling.**

Sing it out! There's a lot of GT feeling in every Fairlane-hardtop, convertible, sedan, or wagon. They corner, climb, and cruise like great road cars were meant to. Engines up to 427 cubic inches. Front power disc brakes. Super wide-oval tires. Decide how much performance you want. Then pick your Fairlane and show your stripes! **FAIRLANE**
