

The Oh-My-Heavens one. You release a few latches and those panels in the roof are ready for lift off. You release a few more and the rear window's ready for lift off. You flip the key in the ignition and you . . . and you . . . say, you're not listening. Hello, do you read us? What's the use. You're in a world all your own. **Corvette** Like a car, only better.

10 seconds to lift off.
