

Ford XL Fastbacks on sale.

Now Ford's sporty, luxurious XL is a bigger value than ever. We're offering the XL fastback specially equipped with a powerful V-8 engine, tinted glass, and air conditioning at special reduced prices that let you keep your cool...and your cash.

You get all this, plus many standard features, like disappearing headlamps, that add to XL's value. And, of course, you get the strong, quiet Ford ride that's made history. See the Ford XL at your Ford dealer. Find out why the switch is on to Ford!
