"Big John" Mazmanian in a Funny Car? Will things ever be the same in the Gasser ranks? And how about the famed "Big John" - Stone-Woods & Cook feud - will it be revived now that both antagonists are in the Funny ranks? Well, we don't know all the answers, but when a top star like Mazmanian switches brackets, it's news - and CC reports it, starting on page 36. Photo by CC's Bob Swaim
