

Camaro SS Sport Coupe with Super Scoop hood.

GM

MARK OF EXCELLENCE

Camaro's New Super Scoop: It's like frosting on the frosting.

Basic ingredients, Camaro SS, The Hugger: 300-hp 350 V8. Wide oval treads on 14 x 7 wheels. Beefed-up suspension. Power disc brakes. A floor-mounted 3-speed shifter.

Extra topping you can order: A new

Super Scoop hood that shoots cooler air to the carburetor for an added dash of dash.

The whole setup works off the accelerator. *You* step on the gas, *it* steps up top end power.

There you have it: Super Sport with Super Scoop.

Add you and stir.
