

1969 LTD by Ford. 2-door Hardtop. See your Ford dealer for all the facts about the 1969 Ford, Mustang, Torino/Fairlane, Thunderbird, Falcon.

Did you mistake it for one of America's most expensive cars? Lots of people are doing that. And with good reason:

The 1969 Ford hugs the road with as wide a track as a Cadillac.

The 1969 Ford smoothes your ride with a longer wheelbase than a Chevrolet.

The 1969 Ford has more front headroom and legroom than a Chrysler Imperial.

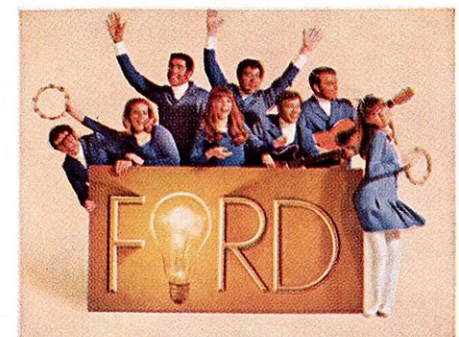

The 1969 LTD is designed to be quieter than the LTD that was quieter than a Rolls-Royce.

Yet even with its longer wheelbase, the '69 Ford is easy to handle, easy to park...it turns in an even smaller circle than last year's Ford.

This is a new luxury-size Ford at a very popular Ford price. Quiet. Strong. Beautiful. A great road car.

Don't take our word for it.
