

Ford XL SportsRoof.

Gives you great road-hugging,
with a track as wide as a Cadillac's.

Gives you a smooth ride,
with a wheelbase longer than a Chevrolet's.

Gives you more room,
with a trunk bigger than a Buick's LeSabre's.

Gives you easy parking:
The turning circle's smaller than a Plymouth's.

Gives you quiet, strength, and beauty.

When a car gives you all this, it's bound to get a
lot of takers. And Ford XL does.

Take it from us.
