

Cyclone CJ is the new name to reckon with in the performance world. Supermuscle in a Mercury fast-back. 428 cubic inches of bold. And you can have 428 straight (CJ 428), or with optional deep-breathing Ram air induction (CJ 428 Ram) which includes functional hood scoop. Also optional: hood locking pins. Either way, your bonnet shades a complete performance package. Standard Cyclone CJ equipment gives you CJ 428

engine with 335 hp and 440 lb.-ft. of torque. 4-speed manual. 3.50:1 rear axle. Low-restriction dual exhausts. Fiberglass-belted tires. Competition handling package, and more. Options, too! Tach. Traction-Lok differential. Optional axle ratios. Select-Shift. Styled steel wheels. Anything you want. And available now at your Lincoln-Mercury dealer, who reminds you that in performance Lincoln-Mercury leads the way.

Cyclone CJ wears two bonnets... one with Ram air induction.
