TORONADO JADE

A SPECIAL NEW COLOR WITH SPECIAL GT STRIPING...NOW AT SPECIAL SAVINGS!

The color is one of a kind! Only Toronado has it . . . a brilliant new Metallic Jade Green, accented with sassy GT striping on the hood.

You'd expect to pay more for the special color alone. Instead, you get the most distinctive Toronado ever built at special savings.

The reason? Just our way of proving that you're

closer to an Olds than you think. Even a special Olds like this!

P.S.: A lot of "extras" you can't even get on other cars are *standard* on Toronado. Front-Wheel Drive . . . 375-hp Rocket V-8 Engine . . . flat floors, front and rear . . . variable-ratio power steering . . . Turbo Hydra-matic 400 transmission, to name just a few.
