

What's it take to Break Away?

About what it takes not to.

You heard us right. You can break away from humdrum driving for a lot less than you'd think it might cost. That great-looking GTO you see below is the quickest of our 1969 Pontiac lineup.

All GTO's come equipped with 400-cubic-inch V-8, 3-speed manual transmission with Hurst floor shifter. Slimline Strato-bucket seats. See why we call it The Great One?

But don't let all that Pontiac beauty blind you to the kind of value you can expect, when you make your break from dull driving. How about today?
