Pontiac Grand Prix Hardtop Coupe

Go ahead. Kick the tires. Jump on the bumpers. Slam the doors. On all the '69 Pontiacs at the show.

We want you to compare them with other '69s on display. And compare hard. On your own terms.

Because we figure that once you take a few swipes at our Endura bumpers, ogle some 400-cubic-inch V-8s,

search for Grand Prix's hidden radio antenna and pore over G.P.'s hood (the longest in the industry), those other '69s are going to look like humdrum four-wheelers.

Then you'll understand why Pontiac claims the only honest Break Away cars this year.
