ACKNOWLEDGEMENTS

Collecting the vast volumes of data needed to assemble this performance guide was a task tendered by time. In years gone by, assorted automotive journalists, researchers, copywriters, authors, photographers and publicists have all contributed to the fact-gathering task. Considering both the widespread series of sources consulted concerning the gathered facts, as well as the lengthy time span under investigation, the list of contributing individuals involved is almost too extensive to detail.

Some of those past and present who have helped contribute, compile and confirm Oldsmobile facts, figures and photos for this performance guide include: John Baechtel, C.J. Baker, Jane Barrett, C.J. Batten, Fritz Bennetts, Terry Boyce, Neil Britt, Bill Brodrick, Dennis Castele, Richard Chrysler, Steve Collison, Jim Cozzie, Eric Dahlquist, Marji Dickinson, Jack Duffy, Helen Early, Ron Edwards, Tom Erb, Arlen Fadely, Dick Fortman, Pat Ganahl, Bob Gerometta, Dave Grob, Warren and Arlene Johnson, Dave Jarrard, Michelle Vigneault-Kirschenbaum, Ed Koerner, Guy Light, Dave Landrith, John Lingenfelter, Les Lovett, Wayne Mason, Dave Maurer, Jim McFarland, Ro McGonegal, Don Nicholson, Andy Mannarino, Tim Marshall, Larry Olson, PPC Photographic, Andy Schwartz, Dale Smith, Dave Smith, Russ Sprouse, Linda Vaughn, Jim Vincent, Dave Wallace, Phil Workman and an old, overworked Apple computer. Without the help of all of the above, this Rocket action attack could not have been launched.
