

Engineered for the fun of it.

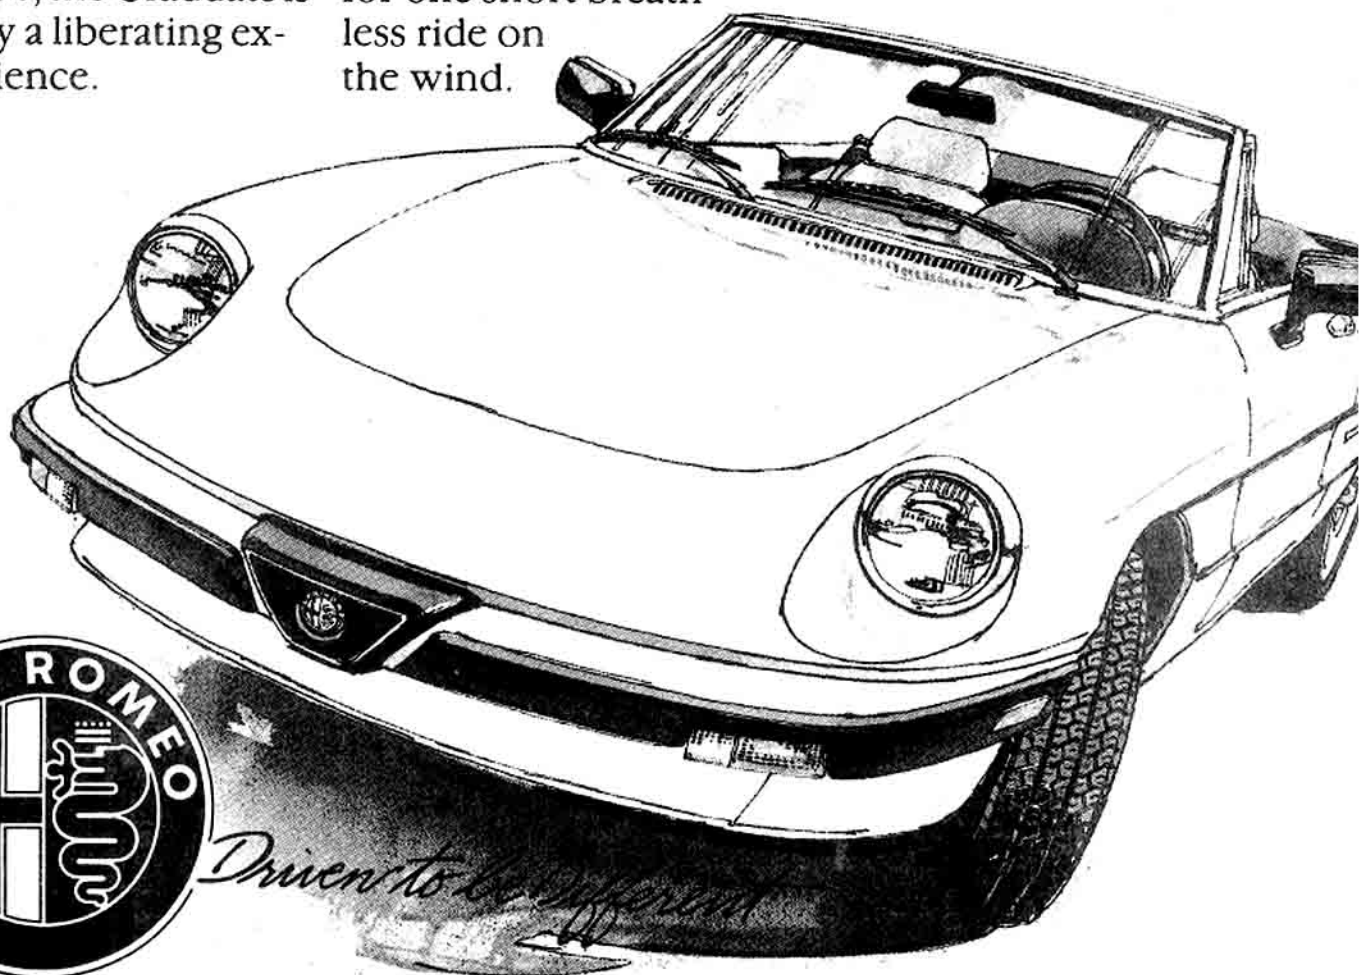

This classic Spider Graduate was born to run. Top down. Unreined, and all for the sheer enjoyment of driving.

Sleek and road-worthy on any landscape, the Graduate is truly a liberating experience.

So to those of you who view driving as something more exciting than simply getting from Point A to Point B, we invite your inspection. Better yet, we suggest you take it for one short breathless ride on the wind.

But be warned, it's a test drive that could last a lifetime.

Driven to the limit.
