

2010 Acura

TSX

FORGET PAST AUTOMOTIVE EXPERIENCES.
LOOK BEYOND CURRENT EXPECTATIONS.
CHALLENGE. DISCOVER. ASPIRE. ADVANCE.

We are not here to do what has already been done. More than a rallying cry, it is a way of thinking. One that affects how we see the world of automotive luxury today, and how we shape it tomorrow. It has led us to develop transformative technologies like the innovative VTEC[®] engine and a navigation system with both AcuraLink Real-Time Traffic and Weather.[™] And to look for inspiration beyond the limited confines of current automotive design. It is what pushes us to use premier race circuits as testing grounds for our ideas, as evidenced by our move this year to the top tier of competition in the American Le Mans Series.[®] It is all for the purpose of keeping you in touch, in control and inspired. Letting you experience things that have never been done before.

THE 2010 ACURA TSX. THIS IS EXPERIENTIAL LUXURY.
WHERE AN ADVENTUROUS SPIRIT IS MET WITH INSPIRING
AGILITY AND FOR THE FIRST TIME, AN AVAILABLE V-6
ENGINE. DESIRE DRIVES. TECHNOLOGY DELIVERS.

TSX V-6 SHOWN IN POLISHED METAL METALLIC.

THERE IS NO MISTAKING
WHY YOU'RE HERE.

While it may be the technologies found under the hood that generate thrills, it is the interior details of a vehicle that truly forge a bond between driver and sport sedan. Upon your first encounter with the TSX, you'll instantly sense how every element works to reinforce this connection. The driver's seat is bolstered to hold your body through spirited driving. Every button and switch is crafted and placed for intuitive use. The leather-wrapped steering wheel and shifter knob offer a tactile feel. It is all designed so that the driver can more easily turn will into exhilarating reality.

SHOWN IN TAUPE LEATHER WITH AVAILABLE TECHNOLOGY PACKAGE

WHEN EVERYTHING WORKS IN HARMONY,
THE WORLD IS MORE INVITING.

**Textured craftsmanship.
Modern refinement.**

Settle into the cabin of the TSX and you'll realize that Acura designers took as much care with the interior lines as they did with the vehicle's progressive exterior. And while the aesthetic may be clean, it is an environment that is also undeniably welcoming. Supple leather rewards both sight and touch while adding a requisite level of richness. Eight-way power driver's seat adjustments, tied to the memory system, let you quickly get into your ideal position. The dual-zone automatic climate control system further accommodates your individual preferences. Dramatic ambient lighting imparts a feeling of warmth and is the final touch to a modern setting designed to engage all the senses.

V-6

THE FINE ART OF SHAPING EMOTION.

Thrilling high-rpm power.
Robust low-end torque.
Lively, immediate response.

In crafting the driving characteristics of the TSX, the goal was not just to generate movement, but also to turn your commute into a source of daily inspiration. To that end, the vehicle's highly sophisticated 201-hp 4-cylinder engine utilizes Acura's exclusive i-VTEC technology. By micro-managing the engine's valve openings, this system generates a constant surge throughout the power band. Translation: Excitement spikes right out of the blocks and stays elevated far down the road.

Even bigger thrills are afforded by the new V-6- powered TSX. Generating 280 hp, it launches you off the line with authority. The V-6 model also gets its own suspension tuning and larger diameter cast-aluminum wheels. To the driving enthusiast, it all adds up to an experience that is positively enlightening.

SHARPENS CURVES. ALONG WITH YOUR REFLEXES.

Quick on the straights.
Precise through the turns.

Brake. Downshift. Turn. Accelerate. In every driving situation, action and reaction work together to create the rhythm of performance. Point the TSX towards your favorite stretch of asphalt and you'll quickly get a sense of how uniquely in tune the vehicle is to both you and the road.

It all starts with the body structure. The strategic use of high-tensile steel increases strength while also helping to reduce weight for more nimble response. The race-bred suspension system takes full advantage of the rigid chassis, responding to spirited driving with minimal body roll. Finally, speed-sensitive steering lets you feel through your fingertips how the wheels are encountering the road.

SHOWN IN CRYSTAL BLACK PEARL WITH AVAILABLE TECHNOLOGY PACKAGE.

THE WINNING EDGE USING A PRODUCTION-BASED ENGINE, SUSPENSION SYSTEM AND CHASSIS, THE REALTIME RACING TEAM AND THE TSX TAKE ON THE COMPETITION EVERY RACE WEEKEND IN THE SCCA SPEED WORLD CHALLENGE. IN 2008 THEY TOOK THE TOP THREE PLACES IN THE DRIVERS' CHAMPIONSHIP AND EARNED US OUR RECORD 7TH MANUFACTURERS' CHAMPIONSHIP.

VOICE RECOGNITION

Need a recommendation for a local steak house, to call for a reservation, or to find the quickest way there? Just say the word. Activate the steering wheel-mounted button and the available Technology Package's voice recognition feature gives you intimate control of a variety of systems, such as the Acura Navigation System,¹ while keeping your hands firmly grasping the wheel. A situation you'll undoubtedly appreciate with a powerful engine at your command and a curved stretch of asphalt in your sights.

ACURALINK REAL-TIME WEATHER :::
See current information as well as forecasts for over 75 U.S. cities right on the screen of the available navigation system.²

ZAGAT SURVEY® RESTAURANT REVIEWS :::
Get trusted recommendations, complete with food, service and decor ratings with this feature of the available navigation system.

BLUETOOTH® HANDSFREELINK® :::
Link your compatible *Bluetooth*®-enabled mobile phone and you can make and receive calls without taking your hands off the wheel.³

AUDIO CONTROL SYSTEM :::
The TSX's ability to recognize a vast list of commands lets you verbally control most of the functions of the vehicle's audio system.

ACURALINK REAL-TIME TRAFFIC :::
The available navigation system quickly communicates traffic flow as well as collisions, road construction and weather-related incidents.⁴

DUAL-ZONE CLIMATE CONTROL SYSTEM :::
Simply voice your preference and the system will adjust the temperature to accommodate each front occupant's individual choice.

PERFORMANCE TUNED TO CONTOURS OF THE CABIN, AS WELL AS THE ROAD.

The studio within.

Sound is organic. It flows. It reverberates. It expands to fill a space. In the process, it can be heightened or it can be deadened. When Acura set out to design the sound system for the TSX, we took keen interest in how music interacts with its environment. In short, we wanted to produce an experience that rivaled a professional sound studio. Our secret weapon? GRAMMY® Award-winning engineer and producer, Elliot Scheiner.

The Acura/ELS Surround® System (with available Technology package) was specifically developed for the TSX by Elliot Scheiner and the Acura team of engineers. Considering every element, from the placement of the speakers to the acoustic qualities of the interior space, they built a system that takes advantage of the TSX's unique sound field. The result is music that more closely captures the depth and nuance of the original studio performance.

WHEN YOU HAVE THE RIGHT TOOLS, THERE'S NO SUCH THING AS "PARTS UNKNOWN."

Getting to your destination aboard a TSX is a wonderfully collaborative experience, especially with the available satellite-linked Acura Navigation System.² Featuring AcuraLink Real-Time Traffic,⁴ it lets you monitor average speeds, possible incidents and construction delays. The system's AcuraLink Real-Time Weather² feature not only gives you the local forecast, but it also lets you know what to expect on the route ahead. A destination database gives you information on over 7,000,000 points of interest. And it's all designed to work intuitively, even responding to the sound of your voice, allowing you the luxury of focusing more on the road.

SAFETY

VEHICLE STABILITY ASSIST™ (VSA®) THIS SYSTEM CAN BRAKE INDIVIDUAL WHEELS AND/OR REDUCE ENGINE POWER IN THE EVENT OF UNDERSTEER OR OVERSTEER TO HELP KEEP YOU ON YOUR INTENDED PATH. A TRACTION-CONTROL FUNCTION HELPS PREVENT WHEELSPIN DURING ACCELERATION.

ADVANCED COMPATIBILITY ENGINEERING™ (ACE™) BODY STRUCTURE DESIGNED TO ENHANCE OCCUPANT PROTECTION AND CRASH COMPATIBILITY IN FRONTAL CRASHES, ACE UTILIZES A NETWORK OF CONNECTED STRUCTURAL ELEMENTS TO DISTRIBUTE CRASH ENERGY MORE EVENLY THROUGHOUT THE FRONT OF THE VEHICLE.

AIRBAGS INFLATED FOR DISPLAY PURPOSES.

ADVANCED AIRBAG SYSTEM DUAL-STAGE, DUAL-THRESHOLD FRONT AIRBAGS, FRONT SIDE AIRBAGS AND SIDE CURTAIN AIRBAGS ARE ONLY PART OF ACURA'S COMPREHENSIVE APPROACH TO PASSIVE SAFETY. AN OCCUPANT POSITION DETECTION SYSTEM (OPDS) IS DESIGNED TO PREVENT DEPLOYMENT OF THE FRONT PASSENGER'S SIDE AIRBAG IF A SMALL-STATURED OR OUT-OF-POSITION FRONT PASSENGER LEANS INTO THE AIRBAG'S DEPLOYMENT PATH.*

*ALWAYS USE SEAT BELTS AND APPROPRIATE CHILD SEATS. CHILDREN 12 AND UNDER ARE SAFEST WHEN PROPERLY RESTRAINED IN THE REAR SEAT. FRONT AIRBAGS INFLATE AND DEFLATE IN A FRACTION OF A SECOND.

TIRE PRESSURE MONITORING SYSTEM (TPMS) ::::

This system actively monitors and displays the air pressure of each tire.¹

BRAKE ASSIST ::::

This system can detect emergency braking and help the driver apply maximum brake force.

XENON HEADLIGHTS ::::

The TSX's high-intensity discharge headlights are significantly brighter than conventional headlights.

ACTIVE FRONT HEAD RESTRAINTS ::::

The TSX's active front head restraints assist in reducing the likelihood of whiplash injuries.

THERE ARE SOME THINGS
YOU NEVER ANTICIPATE.
FORTUNATELY, ACURA HAS.

Acura believes that there is no area of engineering advancement more important than the field of driver and passenger safety. This philosophy is evident in features like the Advanced Compatibility Engineering™ (ACE™) body structure found in the TSX. Designed to enhance occupant protection and crash compatibility in frontal collisions, it distributes crash energy more evenly throughout the front of the vehicle. It's just one of the reasons the TSX received a 5-star safety rating from the National Highway Traffic Safety Administration (NHTSA).⁸

Acura Link

Acura has always had a penchant for seeing what's beyond the next horizon. Now it's your turn. The AcuraLink® Satellite Communication System gives you a look ahead – whether it's up the road, or even days into the future. Services like the available AcuraLink Real-Time Traffic⁴ and Weather,² with its one- and three-day forecasts help you plan your next move, even while you're focused on the here and now. AcuraLink is also your connection with Acura, delivering a wealth of information like Quick Tips and updated Feature Guides to help you get the most out of your new vehicle's many sophisticated systems. When the system is paired with a *Bluetooth*-compatible phone,³ you can also get information on required services as they approach, and then help you schedule maintenance right from your car with the Automated Appointments™ feature.

OWNER BENEFITS

Warranty All Acura vehicles and the accessories installed by the dealer at the time of vehicle purchase have a 4-year/50,000-mile limited warranty. Acura vehicles are also covered by a 6-year/70,000-mile limited powertrain warranty. In addition, outer body rust-through is covered on all Acura vehicles by a 5-year/unlimited-mile limited warranty.⁹

Acura-Trained Service Personnel Your local Acura dealer is an excellent source for Acura genuine parts and factory-trained technicians. They have the experience, training and specialized tools needed to keep your Acura up to factory standards of performance and reliability.

1-800-to-Acura Operators are available 24 hours a day to help get answers to your Acura questions.

Acura Care Additional peace of mind can be had with the Acura Care® program – comprehensive vehicle and travel protection beyond the initial warranty period. See your Acura dealer for all the features and benefits available with this program.

Total Luxury Care¹⁰ – Owner Benefits Acura's total commitment to your satisfaction doesn't end with delivery of a world-class vehicle. It only begins there. Every Acura comes with Total Luxury Care® (TLC®), an array of services designed to help you enjoy your automobile for years to come.

Acura Financial Services¹¹ Whether you're buying or leasing, Acura Financial Services can assist you with the process. See your dealer for details.

24-Hour Roadside Assistance As part of your TLC benefits, 24-hour roadside assistance is available to you everywhere in the continental U.S. and Canada, day or night, every day of the year. Just call the toll-free number and rest assured that assistance is promptly on the way.

Trip-Interruption Benefits If a problem that is covered by your warranty interrupts your trip more than 100 miles from home, Acura will provide you with reimbursement for meals, lodging or car-rental expenses. Please see your Acura dealer for all the program details.

Acura Concierge – Travel Service In an emergency or just to help you plan a trip, Acura Concierge service can help you with many logistical details. It will even relay up to three urgent messages on your behalf if you cannot do so.

My Acura Your complimentary My Acura personalized Web site provides you immediate access to the most current information about your vehicle. With advanced technology and instructional videos and online service scheduling, My Acura extends your ownership experience from the road to the Internet. Visit My Acura at owners.acura.com.

COMFORT + CONVENIENCE

- Dual-zone automatic climate control system with air filtration
- Remote entry system with folding key and Acura personalized settings for driver's seat and more
- Power windows with driver's and front passenger's auto-up/down, auto-reverse and key-off operation
- Remote- and driver's door lock-operated windows-open function
- *Bluetooth*® HandsFreeLink™ wireless telephone interface³
- Active Sound Control (TSX V-6 only)
- Steering wheel-mounted controls (cruise control, audio, phone, Multi-Information Display and available voice recognition)
- HomeLink*
- Cruise control
- Tilt and telescopic steering column
- Maintenance Minder system
- Ambient cabin lighting (front footwells and console)
- Automatic dimming rearview mirror
- 12-volt power outlets (center console and front armrest)

SAFETY + SECURITY

- Advanced Compatibility Engineering™ (ACE™) body structure
- Vehicle Stability Assist™ (VSA®) with traction control
- 4-wheel anti-lock braking system (ABS) with Electronic Brake Distribution (EBD) and Brake Assist
- Dual-stage, dual-threshold front airbags (SRS)
- Front side airbags with passenger-side Occupant Position Detection System (OPDS)
- Side curtain airbags
- Active front head restraints
- 3-point height-adjustable seat belts with load limiters and automatic tensioning system (front)
- 3-point seat belts (rear)
- LATCH (Lower Anchors and Tethers for CHildren) child-seat mounting system
- Daytime Running Lights (DRL)
- Tire Pressure Monitoring System (TPMS) with location and pressure indicators⁴
- Theft-deterrent system with electronic immobilizer
- Side-impact door beams

AUDIO

- Acura 360-watt Premium Sound System with AM/FM tuner, in-dash CD, MP3, WMA player and 7 speakers, including 8-inch subwoofer
- XM⁵ Radio⁵
- USB Audio Interface⁶ with iPod[®] integration
- MP3/auxiliary input jack
- *Bluetooth* Audio
- Radio Data System (RDS)
- Speed-Sensitive Volume Control (SVC)

SEATING + INTERIOR

- Sport seats with perforated leather-trimmed interior
- Driver's 8-way power seat with adjustable lumbar support
- Front passenger's 4-way power seat
- Heated front seats
- 60/40 split folding rear seat
- Front center console with adjustable armrest
- Rear-seat center armrest
- Leather-wrapped steering wheel and gearshift knob

EXTERIOR

- Power moonroof with tilt feature, auto-open/close, auto-reverse and key-off operation
- Heated outside mirrors with passenger's side reverse gear tilt-down
- Auto-on/off xenon high-intensity discharge (HID) headlights
- Fog lights
- Mirror-integrated LED directional signals

ACCESSORIES

When it comes to personalizing, choose Acura genuine accessories that are crafted to the same strict levels of quality as the rest of your TSX. See your Acura dealer for a complete list of accessories.

- 18-inch aluminum-alloy wheels (bright chrome or ebony finish)¹⁶ (4-cyl only)
- Sport bumper kit
- Wing spoiler or decklid spoiler
- Color-matched splash guards
- Moonroof and door visors
- Back-up sensors
- Perforated leather steering wheel and shift knob
- Interior trim kit
- All-season floor mats
- Cargo net

TECHNOLOGY PACKAGE

- Acura Navigation System with Voice Recognition,nd Traffic Rerouting[™] rearview camera and Zagat Survey[®] ratings and reviews
- Acura/ELS Surround[®] 415-watt Premium Audio System with 10 speakers, 6-disc in-dash CD, DVD-Audio, MP3, WMA and DTS[®]-featured changer, Dolby[®] Pro Logic[®] II and AM/FM tuner
- AcuraLink Real-Time Traffic and Weather^{™4,2}
- GPS-linked, solar-sensing, dual-zone automatic climate control system
- XM Radio⁵ with Note function music reminder
- *Bluetooth* HandsFreeLink wireless telephone interface with phone-book exchange³
- Automated Appointments[™]
