

THE 2014 ACURA TSX

*Built to satisfy the driver's every need,
not to mention the occasional whim.*

SPORT SEDAN

A CASE STUDY in modern luxury, the TSX engages with its nimble athleticism, clean aesthetics and leading-edge technologies. A race-derived suspension system endows the vehicle with a firm grip and compliant ride. The vehicle's cabin offers the perfect balance between indulgence and sport. And as if this weren't enough, the 31-mpg highway rating¹ is sure to further inspire a few long road trips.

SPORT WAGON

SPORT IN MORE than just name, the TSX Sport Wagon earns its badge with its driver-focused cockpit, highly efficient engine and precise response. And if your idea of sport includes more than taking on a challenging stretch of asphalt, the TSX Sport Wagon offers plenty of cargo space for your gear. Its impressive 30-mpg highway rating¹ also adds to the vehicle's performance credentials.

THE RELATIONSHIP BETWEEN SIZE AND POWER: REIMAGINED

THE MARK OF an Acura engine is its ability to produce more power than its specs would suggest possible. The TSX accomplishes this feat with the precise management of its 2.4-liter i-VTEC® in-line 4. The engine's highly intelligent variable valve-timing system expertly balances the competing demands of low-end torque and high-speed horsepower, generating a constant surge throughout the power band. The TSX Sedan is also available with a V-6 for even bigger thrills. Its all-aluminum construction and hollow camshafts keep the engine lighter for a better-handling vehicle.

- 201-hp, 2.4-Liter i-VTEC 4-Cylinder
- 280-hp, 3.5-Liter VTEC® V-6

"A rev-happy engine"
— Motor Trend²

FOR THOSE LOOKING to get the most power out of the TSX's high-revving engine, the 2.4-liter engine can be mated with a 6-speed manual transmission (Special Edition only). The close-ratio gearing ensures strong performance in any gear. Shift throws are short and the linkage direct to provide an optimal feel for confident shifting. Available with both engines, the Sequential SportShift automatic features cornering-G shift control that recognizes when you're in a curve and will delay upshifting to avoid having to then downshift when you hit the accelerator as you exit the curve. The automatic transmission also gives you the option of driving in fully automatic mode or, with race-inspired paddle shifters, a more hands-on approach.

- Sequential SportShift Automatic Transmission
- 6-Speed Manual Transmission

- Rigid Chassis
- 4-Wheel Independent Suspension

COMBINING ADVANCED metallurgy and complex physics, TSX handling technologies may seem like cold engineering. But one drive is all it takes to appreciate the finer qualities of the TSX ride. It all starts with the chassis. The strategic use of high-tensile steel keeps it both light and strong. The improved body rigidity allows the suspension to be tuned with greater precision, helping the vehicle respond to driver input with minimal body roll. Speed-sensitive Electric Power Steering (EPS) lets the steering feel match the driving conditions, from parking to high-speed driving. The V-6 model gets its own suspension tuning and larger diameter wheels, further lengthening its performance parameters.

THERE'S NO SUCH THING AS BEING TOO CONNECTED.

"State-of-the-art navigation and entertainment systems" — *Edmunds.com*⁵

WHILE PERFORMANCE technologies are working to make your journey as enjoyable as possible, information technologies can help ensure that the same is true of your destination.

The available voice-activated Acura Navigation System (standard on V-6 Sedan) features a destination database containing over 7,000,000 points of interest as well as Zagat Survey® restaurant reviews. You can even call ahead for a reservation through your connected *Bluetooth*®-enabled cell phone.³ The navigation system also includes available traffic and weather information,⁴ and suggests alternative routes if necessary.

- Acura Navigation System
- Zagat® Restaurant Reviews
- Voice Recognition

THE TSX COCKPIT is a testament to the vehicle's performance characteristics. Designed to clarify the connection between driver and vehicle, the deeply bolstered driver's seat offers support through the curves. Likewise, the steering wheel and shift knob are wrapped in leather to provide a tactile feel. The 8-way power driver's seat adjustments let you quickly get into your ideal driving position.

Also helping to ensure your complete comfort is the dual-zone automatic climate control system. The available GPS-linked climate control system keeps track of the sun's relative position and intensity and automatically adjusts to compensate. This system comes standard on the V-6 Sedan, as does the Active Sound Control which helps keep unwanted engine noise in check.

A WAGON IN BODY, IF NOT IN SPIRIT.

IT WASN'T JUST INSPIRED by a sports car, it was derived from one. Starting with the same drive-train and suspension technologies that make the TSX Sport Sedan so much fun to drive, the TSX Sport Wagon demands very little sacrifice for its additional cargo space.

The cabin has likewise been built with the driver in mind. As in the sedan, controls are meticulously crafted and placed for intuitive operation. Steering wheel-mounted controls give you access to a number of systems, including audio, *Bluetooth HandsFreeLink*,^{®3} and when equipped, the voice-recognition system, letting you keep your hands on the wheel and your focus on the road.

- Steering Wheel-Mounted Controls
- *Bluetooth HandsFreeLink*
- Voice Recognition

THE TSX SPORT WAGON was purpose-built for those seeking adventure. The exceptional 30-mpg highway rating¹ means you can put on a lot of miles between fill-ups, while 66.2 cubic feet of cargo space means you can make the most out of every one of them.⁶

*"All the entertainment an enthusiast needs."
— AUTOMOBILE Magazine⁷*

WITH ITS ABUNDANT SPACE, the TSX Sport Wagon literally expands the definition of sports-car performance. The cargo area's carpeted floor and flat sidewalls make for easier loading and unloading, as does the available remote-linked, power-operated tailgate.

Additional storage compartments found throughout the cabin, including six within easy reach of the driver, ensure that there's a place for everything.

Acura reminds you to properly secure items in the cargo area.

ENGINEERED TO HELP WITHSTAND AN IMPACT. OR BETTER YET, AVOID IT.

AS ANYONE WILL TELL YOU, the best collision is the one that didn't happen. With that in mind, both the TSX Sedan and Sport Wagon feature technologies designed to help keep you out of harm's way. These include Electronic Brake Distribution (EBD), Brake Assist and Vehicle Stability Assist™ (VSA®) which can sense potential understeer or oversteer and brake individual wheels to help keep you on your intended path.*

To help lessen the negative effects when a collision is unavoidable, both chassis feature Acura's Advanced Compatibility Engineering™ (ACE™) body structure. In a frontal crash, ACE distributes crash energy more evenly throughout the front of the vehicle, helping reduce the forces transferred to the passenger compartment.

*VSA is not a substitute for safe driving. It cannot correct the vehicle's course in every situation or compensate for reckless driving. Control of the vehicle always remains with the driver.

THE BEST STEREO IN THE HOUSE IS MOST LIKELY IN THE GARAGE.

*"Acura has another winner on its hands."
— Road & Track⁸*

INDIVIDUALLY TUNED to both the TSX Sedan and Sport Wagon's interior dimensions, the available Acura/ELS Surround[®] Premium Audio System (standard on V-6 Sedan) adds immeasurably to the rich experience of driving a TSX. Developed with the help of seven-time GRAMMY[®] Award-winning engineer and producer Elliot Scheiner, it was designed to recreate the feel of the original studio recording.

The 10-speaker system features XM[®] Radio⁹ and can play DVD-Audio discs as well as the songs stored on the internal hard disk drive (HDD) or your USB-connected iPod.¹⁰ Song By Voice[®] technology lets you verbally make a selection based on song, artist or album.

STYLED TO TIP THE
BALANCE BETWEEN
RATIONAL AND
EMOTIONAL.

THE TSX SPECIAL EDITION starts with the crisp, machined lines of the TSX, then adds unique front corner spoilers, rear bumper and side sills, as well as darker aluminum-alloy wheels. The cabin is outfitted with aluminum pedals, red stitching and instrument illumination, and special Lux Suede® seat inserts and door panels. It's all designed to further highlight the sporty nature of the vehicle.

TSX SPECIAL EDITION

Performance

- 201-hp, 2.4-liter, 16-valve, DOHC i-VTEC® 4-cylinder engine
- 280-hp, 3.5-liter, 24-valve, SOHC VTEC® V-6 engine (V-6 Sedan)
- 5-speed automatic transmission with Sequential SportShift paddle shifters
- Close-ratio 6-speed manual transmission (available Special Edition only)
- Front-wheel drive
- 4-wheel independent suspension: double wishbone front / multi-link rear
- Electric variable power-assisted rack-and-pinion steering (EPS)
- 17-inch aluminum-alloy wheels with P225/50 R17 93V high-performance all-season tires
- 18-inch aluminum-alloy wheels with P235/45 R18 94V high-performance all-season tires (V-6 Sedan)

Safety

- Advanced Compatibility Engineering™ (ACE™) body structure
- Vehicle Stability Assist™ (VSA®) with traction control
- 4-wheel anti-lock braking system (ABS) with Electronic Brake Distribution (EBD) and Brake Assist
- Dual-stage, multiple-threshold front airbags (SRS), front side airbags and side curtain airbags
- Active front head restraints

Standard TSX Features

- Dual-zone automatic climate control system with air filtration
- Remote entry system with folding key and Acura personalized settings
- Bluetooth® HandsFreeLink® wireless telephone interface³
- Active Sound Control (V-6 Sedan)
- Tilt and telescopic steering column
- Retractable cargo area cover (Sport Wagon)
- Sport seats with perforated leather-trimmed interior and contrast stitching
- Driver's and front passenger's heated, power-adjustable seats
- 60/40 split fold-down rear seatback
- Power moonroof with tilt feature
- Acura Premium Sound System with 7 speakers, including subwoofer
- XM® Radio⁹
- USB Audio Interface with iPod® integration¹⁰
- Bluetooth Audio³
- Auto-on/off xenon high-intensity discharge (HID) headlights
- Fog lights

Special Edition

(Adds to or replaces standard TSX 4-cylinder Sedan features)

- Aggressive front corner spoilers, unique rear bumper fascia and side sills
- Unique color for 17-inch aluminum-alloy wheels
- Available 5-speed automatic or close-ratio 6-speed manual transmission
- Exclusive ebony Lux Suede®-trimmed interior with red accents
- Red contrast stitching on seats, steering wheel, shifter and armrest
- Red instrument illumination and ambient cabin lighting
- Silver-colored Sequential SportShift paddle shifters
- Aluminum sport pedals
- Ebony headliner

Technology Package

(Adds to or replaces standard TSX features; included with V-6 Sedan)

- Acura Navigation System with Voice Recognition™ and rearview camera
- Acura/ELS Surround® Premium Audio System with hard disk drive (HDD) media storage and 10 speakers
- AcuraLink Real-Time Traffic and Weather™⁴
- Traffic Rerouting™⁴
- GPS-linked, solar-sensing, dual-zone automatic climate control system
- Song By Voice®
- Remote-Linked, Power-Operated Tailgate (Sport Wagon)

Owner Benefits

When you purchase a vehicle with the exceptional quality of an Acura, you expect service and support to be of the same caliber. After all, a premium automobile is only part of the ownership experience. With Acura, you also get a commitment. To personalized care. To attentive service. This commitment is apparent the moment you first enter an Acura dealership and for years down the road. It comes from a belief that every aspect of owning an Acura should be an enjoyable and rewarding experience.

Acura Limited Warranties¹³

All Acura vehicles and any Acura genuine accessories installed by the dealer at the time of vehicle purchase have a 4-year / 50,000-mile limited warranty. Acura vehicles are also covered by a 6-year / 70,000-mile limited powertrain warranty. In addition, outer body rust-through is covered by a 5-year / unlimited-mile limited warranty.

Acura Financial Services¹⁴

From leasing and financing to protecting your vehicle after your warranty expires to helping you determine which Acura fits your budget, Acura Financial Services[®] (AFS) provides you with the convenience, options and service to complement your life. For more information, go to www.acurafinancialservices.com.

Acura Care[®]

Additional peace of mind can be had with the Acura Care program – comprehensive vehicle and travel protection beyond the initial warranty period. See your Acura dealer for all the features and benefits available with this program.

Total Luxury Care[®] (TLC[®])¹⁵

Acura's commitment to your satisfaction doesn't end with the delivery of a world-class vehicle. As an Acura owner, you'll enjoy an array of services, like the Acura Concierge[™] for 24-hour weather information, insurance claims assistance or to help you plan a trip; Trip-Interruption benefits like alternative transportation, lodging and meals; and a 24-hour Roadside Assistance program.

AcuraLink Owners Mobile App

Use your smartphone to connect with an Acura agent at the push of a button. Access a full range of Acura Roadside Assistance services using your Android[®] device or iPhone[®], including comprehensive towing, lockout assistance, battery jump-start, tire change and fuel delivery with your phone's GPS

technology providing your exact location. You can use the app to view scheduled time of arrival and contact information for the dispatched service provider. The app also offers a priority emergency button for urgent situations. Visit the Apple iTunes Store or shop Google Play to download this free app.

1-800-to-Acura

Operators are available 24 hours a day to help answer your Acura questions.

Owners.Acura.com

The online help doesn't end when you take possession of your vehicle. Your complimentary Acura Owners personalized website gives the most current information about your vehicle, provides tips on how to care for your Acura, lets you keep a personalized maintenance record, sends you service reminders and lets you schedule service appointments online.

acura.com

Learn more about Acura vehicles, including the latest specifications, see photo galleries and technology videos, and find out how our vehicles compare to the competition. You can also build and price your Acura, see current offers and even get a quote from an Internet-certified Acura dealer.

Accessories

When it comes to personalizing, choose Acura genuine accessories that are crafted to the same strict levels of quality as the rest of your TSX. See your Acura dealer for a complete list of accessories or go to acura.com.

AcuraLink

Acura has always had a penchant for seeing what's beyond the next horizon. Now it's your turn. The available AcuraLink[®] Satellite Communication System gives you a look ahead – whether it's up the road, or even days into the future. Services like the available AcuraLink Real-Time Traffic and Weather^{™4} with its one- and three-day forecasts, help you plan your next move, even while you're focused on the here and now.

AcuraLink is also your connection with Acura, delivering a wealth of information like Quick Tips and updated Feature Guides to help you get the most out of your new vehicle's many sophisticated systems. When the system is paired with a Bluetooth[®]-compatible phone,³ you can also get information on required services as they approach, and can schedule maintenance right from your car with the Automated Appointments[™] feature.

BLUE SKIES FOR
OUR CHILDREN

Years ago, our engineers took on the challenge to meet the stringent emissions standards of the U.S. Clean Air Act and used the phrase "blue skies for our children" as a passionate rallying cry to devote themselves to this effort. Blue Skies for Our Children represents our environmental vision of a society where future generations can experience the joy and freedom of mobility while living within a sustainable society.
