Speed 29.56 40.43 49.34 59.36 69.12 77.58	
Gear ratios 1st, 2.54:1; 2nd, 1.88:1; 3rd, 1.46:1; 4th, 1:1	

Options: Since the most wanted high performance accessories are included as standard equipment, available options are highly selective.

They include: Turbo 400 automatic, (available mid 1976), specially engineered front air dam, rear hatch louvers, approved factory Mark IV air conditioning, chrome front and rear bumper guards and special tilt-up/removable anti-glare sunroof. A wide variety of acrylic lacquer paint colors also can be selected.

On-board entertainment center includes the following options.

1. AM/FM stereo multiplex with 8-track tape player.
2. AM/FM stereo multiplex with cassette tape player.

3. Options 1 or 2 above with 23 Channel Citizens Band radio.

Options 1 and 2 include an automatic station selector bar.

Upon special request, Scarab Engineering will schedule customer's existing Z-car for production. Contact your nearest dealer for information regarding scheduling procedure.

Kits: Specialized conversion kits are available for the do-it-yourselfer. Please contact Scarab Engineering for specifications and information.
